LAB ASSIGNMENT #2

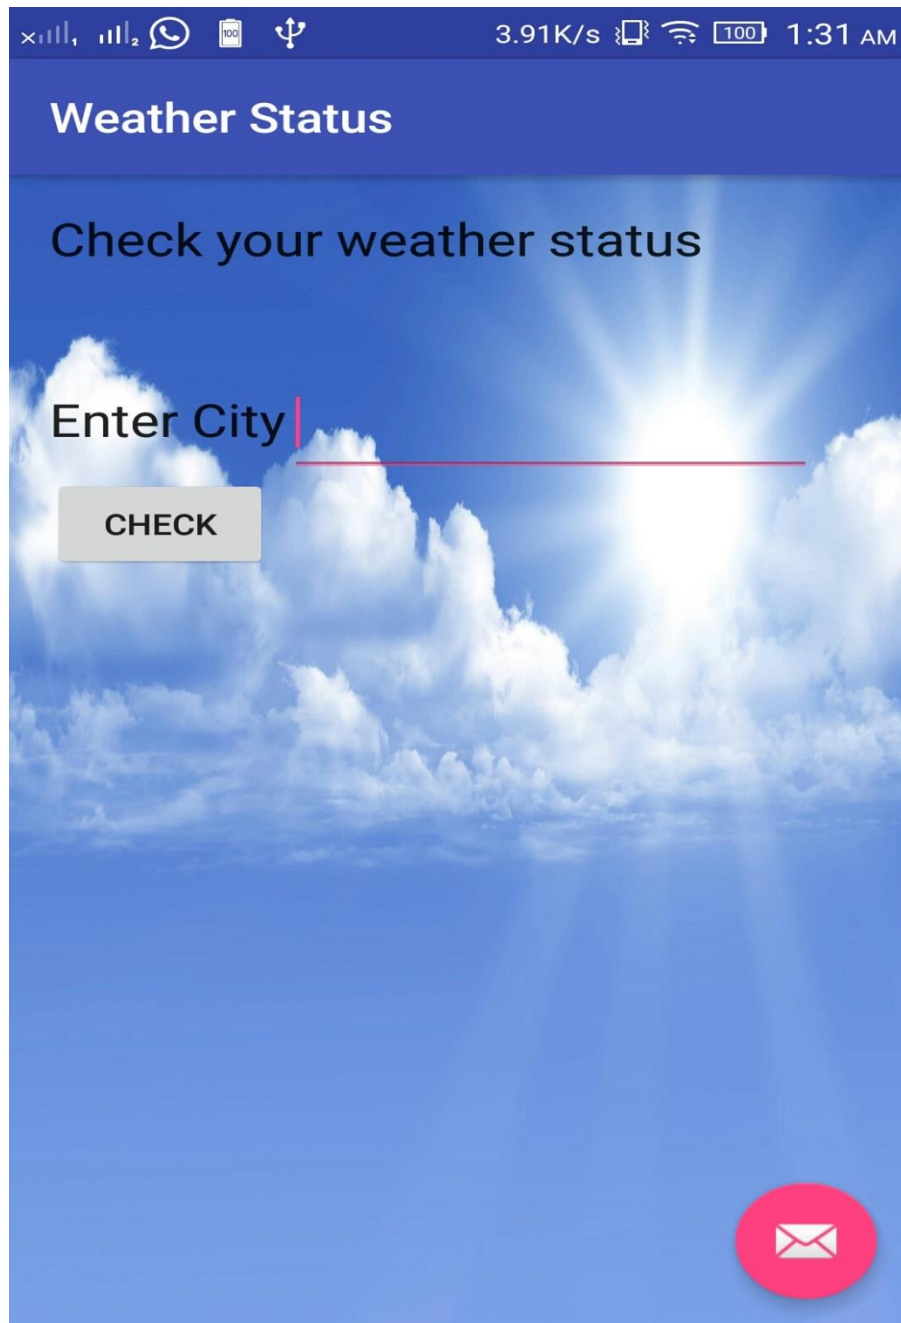

Weather Status

Description: To check the status of the weather by given the city name.

Login:

Weather Check status:

The image shows a mobile application interface for checking weather status. At the top, there is a status bar with various icons and the time 1:31 AM. Below this is a blue header with the text "Weather Status". The main area has a background image of a bright sun shining through clouds. The text "Check your weather status" is displayed. Below this, there is a text input field with the placeholder "Enter City" and a red underline. To the left of the input field is a grey button labeled "CHECK". In the bottom right corner, there is a red circular button with a white envelope icon.
